## Lust List: Sunscreen for Summer 2012

*With all the fabulous self tanners out there, there's absolutely no reason to get any of the real stuff! Protect your skin all summer-long with the best new splurge-worthy finds around.*

BY LEAH MELBY

### Obagi Nu-Derm Sun Shield SPF 50

Those that like the protection of zinc but are afraid of the chalky, '80s-era lifeguard look will appreciate this mineral pick's formulation. A micro-fine cut means it's easily absorbed so you won't undo all your self tanner skills with a pale cast.
